

Gear list

Please note that you will be limited to 20 POUNDS of personal gear to be carried by the stock. This includes the weight of your tent, sleeping bag, and sleeping pad. We are strict about the weight limit because we bring as few pack animals as possible to minimize our impact to the landscape. You will also be carrying a daypack when you hike. What you bring in this pack is not included in the 20 pounds. *We will provide camp chairs.

CLOTHING – Quick dry fabrics preferred; the exception is the cotton t-shirt. Our temperatures can range from 60 – 90F during the days, 50 – 70F during the evening and 30 – 50F at night. Afternoon thunderstorms are common.

Of the items on the gear list, what should I carry in my daypack?

- Rain gear – *BOTH top and bottom, every day*
- Hat and gloves – *every day*
- Light-weight pull over
- Water bottles/Camelback – *at least 64oz.*
- Water filtration method**
- Lunch and snacks – *provided*
- Sunscreen, sunhat, sunglasses
- Sandals/Crocs (*if needed for stream crossings that day*)
- Bandana - *that can get wet to cool yourself or wrap around your neck for warmth*
- Any blister care/1st aid products you may need
- A small stash of toilet paper
- A small bottle of hand sanitizer
- Camera and/or Binoculars
- Pack cover. *We have ones you can borrow.*

Packing for Trips:

- We recommend using a waterproof compressible stuff sack for your sleeping bag
- Keep personal items separate from tent/sleeping bag/pad. It makes it easier for us to make loads
- We can provide a duffel bag for personal items or use similar bag

** We will provide Aquamira drops for water purification along the trail, but if you prefer a different method, feel free to bring it along. We like the Steri-pen Adventurer Opti. For more info about backcountry water treatment, view the “**Water Treatment**” PDF on our website.
